BL-3500SLX
Lift Capacity - 1,580 KG

BL-5000SLX
Lift Capacity - 2,260 KG

BL-7000SLX
Lift Capacity - 3,170 KG

Super Low Profile Frames

The QuickJack collapses to just 3-inches to give you maximum clearance.

14-Gauge Steel

The QuickJack is made with strong 14 gauge welded steel frames.

Portable Power Unit

Shipped with a portable hydraulic power unit with a built-in hydraulic flow divider for precise equalized lifting.

Remote Control

A remote push-button control with a 13-foot cord is for simple operation.

Open-Center Design

Provides quick wheels-free convenience for brake and tire service and clear undercarriage access.

Zero-Leak Fittings

Zero-leak flush face hose fittings ensure fluids don't end up on the shop floor.

Automatic Safety Locks

Dual-position automatic safety lock bars engage automatically as the lift rises.

Multiple Voltage Options

Power units come in 110-volt AC, 208-230-volt AC, 240-volt AC, and 12-volt DC.

PROFESSIONAL WET AND DRY VACUUM CLEANERS

CHRONO

CHRONO is our new mobile sanding station provided with a 2-motor vacuum cleaner, with or without filter shaker and with automatic start. It can be used with 2 different tools at the same time.

<p>CAPACITY</p> <p>77L</p>	<p>FUNCTIONS</p> <p>EA for electric and pneumatic tool</p> <p>Industrial use</p>
<p>ENGINES</p> <p>2 motors</p>	<p>MATERIALS</p> <p>STAINLESS</p>

MIZAR

MIZAR is a compact single-phase industrial vacuum cleaner provided with a mobile dust tank, easy to remove and easy to handle thanks to its wheels. The tough structure includes a spacious accessory case, while a tool tray is mounted on the head. The automatic start and automatic filter shaker are controlled by the connected power tool. Thanks to the 1700W-double stage motor, MIZAR grants optimal performances.

<p>CAPACITY</p> <p>35L</p>	<p>FUNCTIONS</p> <p>EA for electric and pneumatic tool</p> <p>Industrial use</p>
